+1 (971) 413-3950

evanwcrow.com

evanwcrow@gmail.com

Portland, OR

PROFILE

Co-founder Ferdasoft LLC; develop, design, and manage the iOS app, Nome, along with the company website. Self-starter, skilled at completing tasks at a quick and effective pace and learning new skills on the go.

EXPERIENCE

FERDASOFT LLC (2020 - PRESENT)

CO-FOUNDER & HEAD OF DEVELOPMENT

Developed and continue to maintain iOS, CarPlay, WatchOS applications as well as design the UI for them. Develop using Swift and other libraries such as UIKit, CoreLocation, MapKit. Also, design icons, logos, and promotional materials. Communicate effectively, and remotely with team members.

TUTORSTAND.COM (2020-PRESENT)

HEAD OF DEVELOPMENT

Ongoing development of the web application and managing back-end data and authentication services. Designed the UI for the web app and designed its related promotional materials.

NEVEH SHALOM (2018-2020)

TEACHING ASSISTANT

Listened to students read aloud and assisted them when they made mistakes. Helped create classroom murals and other art projects. Set up and cleaned the classroom.

ELMER'S FLAG AND BANNER LLC (2016-PRESENT)

Generally assist my family's retail/wholesale company. Receive, price, and stock merchandise. Manage inventory and cycle-count.
